

Kaduna — Senator Uba Sani has announced the oversight structure of his Zonal Constituency Office. The office is saddled with the responsibility of engaging, facilitating and sustaining a beneficial relationship between the Senator and his constituents. It will be located in Kaduna and will coordinate all the activities of the Senator. He has setup sub-units in each of the 7 local governments in Kaduna Central to aid the Zonal Constituency Office in providing quality service to his constituents.

In an unprecedented move, the Senator has designed a structure that will ensure his constituents are up to date and carried along in his efforts to improve their welfare. The people of Kaduna Central can provide important suggestions, vital solutions or complaints without any bureaucratic gridlock. With this structure, Senator Uba Sani has made access to him a common right and not an exclusive privilege as he strives to put his people first.

According to Jamilu Ahmed Mohammed, "Senator Uba Sani has a track record of providing quality service in every position he has served. The Senator believes engagement, access and consistent feedback from the public is an essential ingredient to his success. This explains the inter-dependent structure he has set in place as he embarks on the journey to improve the welfare of his people."
